Notable dates in Masonic History;

1656 (M)

John Aubrey begins writing A Natural History of Wiltshire in which he states that "the Fraternity of Free-Masons are known to one another by certain signs and watch words, and other significant words," and also described them as "adopted masons" and "accepted masons."

His history is not published until 1847.

John Aubrey FRS was an English antiquary, natural philosopher and writer. He is perhaps best known as the author of the Brief Lives, his collection of short biographical pieces.

Quote of the month: Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are in the dealings with one another; sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason. ~Benjamin Franklin

*"Behold! how good and how pleasant it is for brethren to dwell together in unity:
" It is like the precious ointment upon the head that ran down upon the beard, even Aaron's
beard that went down to the skirts of his garment:
"As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there
the Lord commanded the blessing, even life for evermore."*
