Notable dates in Masonic History;

March 6, 1775 – Prince Hall, made a Master Mason in Irish Constitution Military Lodge No. 441

Having been rejected by colonial Freemasonry, Hall and 14 others sought and were initiated into Masonry through Lodge No. 441 of the Grand Lodge of Ireland, March 6, 1775. The military lodge was attached to the 38th Foot (renamed "The 1st Staffordshire Regiment") in 1782. Masonry was attractive to some free blacks because freemasonry was founded upon ideals of liberty, equality and peace.

Quote of the month: All that is essential for the triumph of evil is that good men do nothing.
-Edmund Burke

***"Behold! how good and how pleasant it is for brethren to dwell together in unity:
" It is like the precious ointment upon the head that ran down upon the beard, even Aaron's
beard that went down to the skirts of his garment:
"As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there
the Lord commanded the blessing, even life for evermore."***
