Notable dates in Masonic History;

December, 1972

On this date Harry S. Truman, former President of the United States, Past Grand Master of Missouri, and a very active Freemason, died. He had requested a Masonic funeral, but instead the government, which handled the details, permitted a short Masonic ceremony during the funeral service.

The funeral service began with remarks by W. Hugh Mc Laughlin, Grand Master of the Masons of Missouri. Truman was an active Mason and in 1940 was elected to the position now held by McLaughlin. McLaughlin said that the 108,000 Masons in Missouri shared the "grief and sorrow" of the Truman family.

Quote of the month: Freemasonry is founded on the immutable laws of Truth and Justice and its grand object is to promote the happiness of the human race. ~George Washington

"Behold! how good and how pleasant it is for brethren to dwell together in unity: " It is like the precious ointment upon the head that ran down upon the beard, even Aaron's beard that went down to the skirts of his garment:

"As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the Lord commanded the blessing, even life for evermore."
